General Information**

2991 Bowen Rd, Elma 14059

Philosophy:

A co-operative preschool allows parents to be actively involved in the classroom for their child's first school experience. Parents are required to schedule times during the year to assist in the class. A non co-opting option is available for an additional fee. A volunteer parent board helps to set school policies and carry out administrative duties.

Teachers: Mrs. Carreen Nunn and Mrs. Tracy Dobies

Registration:

A non-refundable registration fee of \$75 is required at the time of registration. (Reg fee is \$100 if more than one student is enrolled in the program.) A place will be reserved for your child once the school receives both the completed form and fee. These can be mailed directly to the church. Children are eligible for their class if they turn 3 and 4 respectively, by December 1st of the current year. Children must be able to use the bathroom independently.
