Pastor's Message: Our Way Forward

God has made human beings as unique individuals. Although we share many things in common, like eating, breathing, and needing community, no two of us are the same. We have differing opinions, prefer different foods, and enjoy different activities. That makes human relationships tricky. We want everyone to think about things the way we do and have trouble relating to each other when we don't. Nevertheless, we are all created in the Image of our Creator, who desires us to live together in harmony in the midst of our differences. The love of God transcends our human limitations, prejudices, opinions, and other things in this life that are the result of human brokenness caused by sin in the world and in all of us. As Christians, God's love in us makes it possible for us to love one another in the midst of our differences, and to allow our uniqueness to find welcome as the Holy Spirit enables us to move forward in a life of Christian ministry together, even when we don't agree about everything.

Our Way Forward is a series of three facilitated conversations designed to help the parishioners of Elma UMC see one another and be seen, hear one another and be heard, listening to one another deeply as we explore one of the most divisive subjects in the history of Christ's Church. The conversations are intended to help the congregation understand one another and find ways to continue in ministry together as the Body of Christ at Elma UMC, even if everyone doesn't agree. Following the conversations, a covenant will be drafted by the Our Way Forward team based on the input of everyone who chooses to hear and be heard in the process. The covenant will define the way forward for Elma UMC as the church seeks to continue in ministry together.

The congregation will then work together to discern and refine the covenant until the way forward that is uniquely Elma UMC's can be accepted by as many of the church as possible. Our Way Forward is not meant to divide by taking one side over another, but to bind the church together in the unity of the Holy Spirit, even though there are differences among the members.

In his sermon “Catholic Spirit,” John Wesley said, “Though we cannot think alike, may we not love alike? May we not be of one heart, though we are not of one opinion? Without all doubt, we may. Herein all the children of God may unite, notwithstanding these smaller differences.” Friends, I encourage you to choose to participate in what may be the most important conversations Elma UMC has ever engaged in. You are members of Christ’s Body. Join together October 18 th , 25 th , and November 8 th to break bread together at 12 noon, and hear and be heard from 12:30-2:30pm. And take the hand of a friend who may only need to be invited and encouraged by you so they will come too.

Blessings, Pastor Lisa

Pastor’s Typical Weekly Schedule:

Pastor Lisa is typically in Elma Sundays, late afternoon Mondays through Wednesday evenings, works from home on Thursdays, takes her Sabbath on Fridays, and has her day off on Saturdays. The schedule for Wednesday through Saturday sometimes changes depending upon the needs of the church. In general, she prefers not to work past 9:30pm, although this is sometimes unavoidable. As the church is a pretty busy place, it may be best to make an appointment if you want to have time to talk with Pastor Lisa. But you are always welcome to stop by. The Pastor’s cell phone 716-341-1896, may be used to reach Pastor Lisa by voicemail or text (simple text only, please); especially during hours when no one is scheduled to be in the office. Please use the Pastor’s cell only for emergencies on Fridays and Saturdays.

Note: Pastor Lisa will be studying the life and ministry of John Wesley with Bishop Burgos, and a group of Upper NY clergy and lay leadership, in the UK from September 30 th -October 8 th . Rev. Larry Baird will be available for pastoral emergencies and will lead worship October 4 th . Use the church office phone during office hours or the Pastor’s cell phone for emergencies during that time.

Church News and Announcements

Typically everything you need to know about what's happening at Elma UMC can be found in the Methodelma via hard copy that's mailed to those on the Methodelma mailing list, emailed copy that's emailed to those on that list, or the copy posted on the website. There is always hard copy available at the church to pick up as well.

For Current Announcements, check out the Announcement Board positioned near the coatroom.

Our Way Forward

Sunday October 18 th and 25 th , and November 8 th , 12:30-2:30pm

Lunch will be served beginning at 12:00pm for all participants.

The sessions build upon one another and will be facilitated by Georgia Whitney who currently serves in Conference level lay leadership and has experience with facilitation. **Please RSVP if you have not already so we can plan accordingly. Reach out to church members who may not have responded. And let Pastor Lisa or the office know if you need childcare.**

Elma UMC will be exploring Our Way Forward, Upper New York's Graceful Conversations and Covenanting Process for Navigating the 2020/24 General Conference Changes about Human Sexuality. Our conference leadership has provided a process and resources for prayerful discernment that will ultimately lead to establishing a covenant that authentically reflects Elma UMC's position and practices. The Organizing Team: Peter Buechi, Sam Coatsworth, Martha

Horohoe, Belle Sank, and Carrie and Ryan Schmitz, have created a schedule of sessions that will allow everyone the opportunity to participate.

It is very important that everyone, members and constituents, participate in this process so the true position of the whole body is faithfully discerned. Please make participation in the process a priority this fall. If you have any questions about this process, please reach out to Pastor Lisa, any of the organizational team members, or a member of the Leadership Team.

Monthly Prayer Opportunities

Wednesday, October 21 st 10-10:30am and/or 7:00-8:00pm.

Prayer is the foundation of the life of Christ's Church. Our Bishop has called all Upper NY and Susquehanna UMC's to focused prayer together as Christ's body. We are praying each week for a different set of churches in our annual conferences. In addition, please join Pastor Lisa in a time of gathering for informal prayer for our church, our community, and personal needs. You are welcome to come and pray silently with those praying aloud and to pray aloud if you are so led by the Holy Spirit. You are also welcome if you have never tried a prayer group before and want to learn, or just want to try this one. Prayer for healing with laying on of hands and anointing with oil will be available for those desiring this form of prayer ministry. Come, join in prayer together!

Church Events

Church members and ministry leaders are welcome to schedule meetings and events related to their established church ministries. Please let Jill in the office know about your plans so they can be put on the office calendar and dates/times checked for potential conflicts, and so she can respond to questions those coming may call the office about. Most uses of the building that are directly related to established church/district/conference ministries do not require prior building use approval. However, use by outside groups, and special personal family events usually do. Please check with Jill and she will confirm with the church trustees.

Pastor Lisa's Doctor of Ministry Project

All adults in the church are welcome to participate in the project trial sessions. If you have not been contacted directly by email, please email Pastor Lisa and let me know you are interested. Sessions will be beginning soon to try out the project.

I have greatly appreciated the support I have received spiritually and practically from all who have participated. You have been a terrific source of insight and encouragement over the past two years. Peace and blessings, Pastor Lisa

Adult Christian Education

Samantha Vidal and Pastor Lisa are currently co-leading The Bible Simplified: Learn the Story, Live the Story by Zach Windahl. This study combines reading, video, and discussion to help us learn and grow in our knowledge of the Bible, so that when we engage in reading our Bible for study or devotional time, we will have greater understanding.

This 8-week study is happening Sundays 11am-12noon, and Tuesdays 9:30-10:30am through November 24 th . Contact Pastor Lisa for more information, or just show up for class.

FISH

The FISH item for October is canned baked beans. The need is great and ANY non-perishable food item is greatly appreciated.

Looking forward: All Saints Sunday is November 1 st

Please let the church office know the names of loved ones who have passed away in the past year who you would like to have included in remembrance during worship. We need the names by Sunday, October 25 th at the latest.

Looking Forward:

Advent Adventure – Sunday, December 20 th

This is Elma UMC's all ages, multi-generational Education Hour event – and your help is needed! We need two people to organize and lead this special event that takes us on the wonderful journey to Bethlehem. The program is written. And we have the props, costumes, and materials. All we need are two willing people to put it all together and make it happen. There are a couple people who have led it in past years who will provide guidance and direction if you need some. So come on! Pray about it and see what God would have you do! If you will step up and take on putting this one-hour event together, may God bless you as you reach out to Cheryl Buechi, Sue Brunner, or Pastor Lisa to get started. Blessings!

Bible Challenge:

Read Through the Bible in a Year by Reading 4 Chapters Each Day!
This year's sequence of readings takes us back and forth between the Hebrew Bible (Old Testament) and the New Testament. John Wesley believed and taught that the Bible is the most important book for Christians to read to help us know Jesus and understand Christian faith. So please make it a priority to read your Bible this year! If you are unsure about which version to use or would like to know about study helps for your reading, ask Pastor Lisa.

Paper copies of the entire year's readings are available on the table outside Pastor Lisa's office, in half and full-page sizes for you to tuck into your Bible. If you prefer to follow the chronological reading schedule, copies are also available to pick up, or Pastor Lisa can email it to you. Enjoy a blessed year in God's Holy Word!

PART 2- STAYING CENTERED

Once again, we are going to accept the invitation of God to go to the Potter's House and learn from what we see and experience. So, get that picture in your mind: clay, a spinning wheel, shaping hands, water, and fire.

One of the most important parts of pottery is centering the clay.

If the clay isn't centered on the wheel, it wobbles. It collapses. It flies apart under pressure.

I don't know about you, but I've lived that reality.

When my life isn't centered on God, everything feels unstable. My emotions swing. My priorities drift. My faith wobbles. My peace disappears.

But when I allow God to center me—when I align my life with His truth—there is stability.

There is peace. There is clarity.

The Bible says, "*You will keep him in perfect peace, whose mind is stayed on You, because he trusts in You."* (Isaiah 26:3)

It also says: *"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."* (Proverbs 3: 5-6)

Centering isn't something I achieve on my own. It's something God does as I submit to Him.

Centering means that I choose: *His truth over my opinions. His ways over my preferences. His voice over every other voice*.

When I make that choice, I've seen the difference. When I'm centered, I'm calmer. More patient. Even joyful in the process.

When I'm not, my life feels chaotic and like something spinning out of control. Today, I want to stay in His hands—and stay centered, because that's where life holds together.

Where do you want to place yourself on the wheel today?

"*Lord, center my life on You. Align my heart with Your truth and steady me when I feel off balance. Help me trust You above my own understanding. Keep me grounded in Your presence today. In the name of Jesus. Amen."*

Blessings,
Nan Keller

Caretakers of God's Creation

What a year! More than 1,000 dead in Nepal due to flash floods. At least 35,000 excess deaths in Europe due to four record-breaking heat waves. Closer to home: Hazardous wildfire smoke across the American Northeast preventing outdoor activities, sending old and young to emergency rooms, and shortening lifespans. And we're only halfway through hurricane season.

All these events were worsened and/or made more likely due to climate change. For these reasons and more, Americans are concerned about climate change.
You are likely one of the majority of them who want a safer, healthier climate future.

Did you know that nearly 3 in 4 Americans are concerned about climate change, and 88 percent feel a moral responsibility to help create a safe and healthy climate? **You are the majority!** And it is time to make our majority visible.

Across the country, people are ready for climate solutions and looking for clear ways to act. But, they often believe they are alone in their views and opt out of voting. **Election Earth was created to help make your majority support visible and turn it into civic participation.**

EcoAmerica is proud to launch Election Earth, a nonpartisan voter activation platform designed to help you vote your values, support others in doing the same, and take action for a thriving climate future.

The choices we make at the ballot box shape the health, safety, and future of our communities. They influence the air we breathe, the water we drink, how prepared our neighborhoods are for extreme weather, and whether every eligible voter can participate freely and safely in our democracy.

Through Election Earth, you can register to vote, check your registration, sign up for election reminders, find your polling place, request a mail ballot, preview and analyze your ballot, take a Climate Voter Pledge, and access resources to protect voting rights and participation.

The goal is simple: **make climate voting easier, more prolific, and visible.**
Election Earth is built for people and organizations who want to engage their communities around climate, democracy, and voting their values. Whether you want to share resources with your congregation, clinic, workplace, student group, neighborhood, or local network, Election Earth offers a shared framework that can be adapted to meet your community where they are.
